

## EVERY STEP A STORY...

If you can walk you can snow shoe - it's that easy. Experience the serenity of the spectacular mountains around Queenstown this winter.

**Our top of the line high-tech slimline snowshoes enable you to walk easily across the snow, opening up huge possibilities for wilderness exploration.**

**Let us make going to the mountains convenient and fun. It's even easier when we supply waterproof snowboots, overpants, jackets and gloves to ensure you're suitably dressed for your experience.**

### ½ day Snowshoeing Snow Play

An easy family snowshoe trip into a snowy gully where we enjoy million dollar views and get down to the fun business of enjoying the snow.

Typical activities include snowman-building, snow carving, igloo building, and children's sledding.

#### INCLUDES

- Snowshoes and poles
- Use of snow boots, shell pants, jacket and gloves
- Knowledgeable and helpful Snowshoe guide
- Hot drinks
- Children's snow skills certificate

### ¾ day Snowshoeing Adventure

Head out to the backcountry with one of our experienced Snowshoe guides.

Head towards the mountain tops and enjoy million dollar views from a secluded spot. Have fun helping dig your own 'snow chair' to relax in while you enjoy a refreshing hot drink and delicious lunch.

#### INCLUDES

- Snowshoes and poles
- Use of snow boots, shell pants, jacket and gloves
- Specialist, experienced guide for the complete itinerary
- Lunch, hot drinks and small water bottle

*Reasonable fitness, approx. 4km walk with some uphill climbing.*

## ½ day Heli Snowshoeing

**On top of the world, minutes from Queenstown without the strenuous climb.**

In this area surrounded by towering jagged mountain peaks and hidden winter alpine life, you can hike in snowshoes and explore at leisure with your guide. Endless mountain-tops, hidden valleys and frozen lakes stretch into infinity, Queenstown and Lake Wakatipu far below. Silence and remoteness surround you in this very special environment.

*Reasonable fitness, 2-3 km walk with some climbing.*
